

JUDGE H. ANDREW SWETT'S OFFICE

Proposed Orders: shall be submitted electronically via the Florida court E-Filing portal <https://www.myflcourtaaccess.com/> by selecting “**proposed documents**” (it is the fourth option down on the page with the map of Florida on it). If you have an email address, it is a very helpful way to electronically file documents quickly and easily for free and from your computer. Cover letters are not needed or required.

Scheduling: The County Court Judges in Lee County do not utilize JACS or any other online scheduling system. You may obtain hearing time by doing one of the following:

1. Calling Judge Swett's office to obtain hearing dates and times
2. Email Judge Swett's assistant, Stacy @ lc-cty-jdg5@ca.cjis20.org.

Copies/Case Law: Our office has gone paperless. Judge Swett does NOT want any binders or other paper copies of documents mailed to our office for a hearing. Please do not provide courtesy copies of any items that have already been filed with the clerk's office. You may efile all documents, with a notice of filing that you wish to use at least 5 days before a hearing. Then contact us by phone or email to advise that exhibits or case law has been efiled and the party wishes to use it at the hearing/trial. The Judge will review everything that has been electronically filed prior to the court date.

COURT DATE CHANGES/MISSED COURT DATES: Setting a new hearing date/changing a hearing date will not be handled over the phone. You **MUST** file a written request by emailing us or by filing a letter or motion directly with the Clerk of the Court (on the 1st or 2nd floor of the Lee Co. Justice Center Center) then contact our office to set a hearing or for the Judge to approve any changes.
