

2014 HOME STUDY PROGRAMS
 in
 SPANISH or ENGLISH

The Home Study program is available to those who otherwise could not attend a one day class due to illness, moving out of State, etc. You will need to fill out a work book and also complete a 500 word essay. This usually takes most people 5-8 hours based upon their reading and writing skills. If you tend to procrastinate, taking any home study program may take several weeks where if you schedule a one day class in your area, it is over in one day.
